

# Westfield Select Cables IP67 RJ45 Male Cable Assembly

## IP67 RJ45 Male Molded Cables

Customer to Specify:

Cable Colour

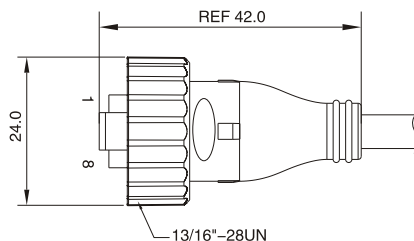

Length

Termination other end if required

Shielded / Non Shielded

Custom Part Number then Issued

Can be Labelled / Packed as Required

### General information

Ambient temperature:	-20 °C ~ + 60 °C
Connector insert:	PC
Connector contacts:	Copper alloy with gold plating
Connector overmold:	TPU
Coupling nut/screw:	PA + GF
Seal-ring:	FKM

Insulation resistance:	≥ 100MΩ
Contact resistance :	≤ 30mΩ
Shielding:	Available or Unavailable
IP rating:	IP 67 in locked condition

**Westfield Part Number: IP67RJ45MC-X-YYYY**

X=0 No Shield X=1 Shielded YYYY= Cable Length
